MEMORANDUM FOR: Deputy Director of Central Intelligence

THROUGH : Deputy Director (Science & Technology)

SUBJECT : Interdepartmental Contingency Planning Committee

1. This memorandum contains a recommendation for the approval of the DDCI in paragraph 4.

2. Attached is a roster of proposed members of the Inter-departmental Contingency Planning Committee, heretofore referred to as the "Cover Committee." The change in designation is suggested because it more accurately reflects the function of the committee and eliminates the undesirable connotations associated with the term "cover".

3. The roster of proposed members has been coordinated informally with Dr. McMillan and has been approved by him.

4. Recommend the attached roster of proposed members of the subject committee be approved.
